

COCOROSA

- ♥ -

MY BRAIN HAS 37 TABS OPEN

it's not
chaos.
it's just
a lot. ♥

Let's get it out of my head and onto paper. ♥

the thing I keep thinking about

♥

something I need to remember

✨

a completely unnecessary thought

☁

something future Me
needs to know

★

why am I still
thinking about this??

🌀

actually important

!

probably not important
at all

Anything else my brain just threw in here:

♥

One brain. Many tabs. You're doing your best. ♥

BE KIND TO YOURSELF.
